

Dr. Dyrce Lacombe

Buato 5757
Brazilian Naval Research Inst.
Ilha do Governador- Guanabara
Rio de Janeiro- Brasil

Personal Data:

Date and place of Birth: 16 March 1932

Citizenship : Brazilian

Academic Training

(" ")
- Baccaloureate in Natural Sciences, Colegio Mariz e Barros,
Rio de Janeiro- Brasil, in 1950

" *tura*"
- Licenciada in Natural Sciences (graduate scholl) Universidade do Brasil,
Rio de Janeiro in 1954.

- Thesis presented , qualifying for ^gAssistant Professor, in Biology in the Faculty of Natural Sciences , Univers. ^{ade de} Estado da Guanabara, in 1964, Brasil.
- Special post-graduate courses at Museu Nacional, ^{Instituto} Oswaldo Cruz Institute and Faculdade ^{de} of the Medicing ^{do} Univers. Brasil.

Scientific Expeditions, Collection of specimens, and scientific photography and recordings of animal sounds.

- 1955- ^{Inst.} Expedition to Brasilia- Bolivia, with the Oswaldo Cruz Institute.
- 1959- Expedition to Estado Parana, with Oswaldo Cruz Inst. and Agronomico Norte Institute.
- 1963- Expedition to Rio Negro and Amazon^s River, with the Brazilian National Research Coucil and Museu Nacional.
- 1968- Expedition to ^HHigh ^AAmapa Territory, with the Brazilian Research Coucil.

Scientific Positions *P*

- Investigator in Marine Biology, Brazilian Naval Research Institute , 1964 to date
- Staff Biologist, Oswaldo Cruz Institute , 1963 to date
- Assistant ^a Professor of Biology, Faculty of ^{Natural} ~~National~~ Sciences, Univer^s ~~ity~~ *Univ*, Est. Guanabara , 1964- to date.
- Professor of Biology (title ~~going~~ *earned* by competition), Brazilian Naval Officers College, Rio de Janeiro, 1966 to date.
- Staff Zoologist, Museu Nacional (~~going~~ *earned* by competition), Rio de Janeiro, 1957 until 1962.

academic
Other professional experiences.

- Professor in charge of the graduate course in Comparative Anatomy and Histology of Insects, in Oswaldo Cruz Institute, 1954 ~~and 1956~~ *1953 and*
- ~~Prof in charge of the grad. course in Acarology, IBC, 1957~~ *Prof in charge of the grad. course in Acarology, IBC, 1957*
- Professor in charge of ~~the~~ *various* University courses for Biology Teachers, Ministry of Education in 1958, 1962 and 1963.
- ~~1960~~ *Collaborator* in charge of the exhibits, Hall of Insects, ~~at~~ Museu Nacional, ~~1961~~ *1960*

Scientific Honors and Memberships.

- Elected as Member of the Academy Brasilian of Research, in 1964.

- Regular membership in:

- original name* Brazilian Entomological Society, 1954
- T.S.* Brazilian Biological Societate, 1955
- Braslian Association for the Advancement of Sciences. 1958
- Teachers* Professor Association of the Natural Sciences. 1958

Scientific Meetings:

Participation in Congress:International:

- on Chagas Disease*
- I International Congress about "~~Doença de Chagas~~", ^{Instituto} 1961, ~~in~~ Oswaldo Cruz Institute, with work "Estigmas in Triatoma infestans".
 - XVI International Congress Coupers of Zoology, in 1963, in London, with work "Sistema traqueal in Triatomidae".
 - I Interamericano Conferences the Naval Research, in Puerto Rico, 1965, with work "Corrosao Biologica em aco na Baia de Guanabara".
 - International simposium about Amazonas - 1966.
 - II Inter-Americana Conferences of the Naval Research, in 1967, in Brasil, with work "Anatomia e Histologia das glandulas de cimento de Balanus tinnabulum".

Research, Academy and Executive Appointment and Activities:

- 1953- Prof. assist. Entomology in course post-graduate in Oswaldo Cruz Institute.
- 1954 - Prof assist. course Histology of the Invertebrate.
- 1956- Prof. assiste. Zoology in Faculdade Nacional de Filosofia
- 1957- Course of the Acarologia.

Scientifics Publications

1955

Barth, R., and Lacombe, D., 1955, Estudos anatomicos e histologicos do ducto intestinal dos Embiidae. Memorias de Instituto Oswaldo Cruz, 53: 67- 86, 34 figs.

1956

Lacombe, D., and Barth, R., Contribuicao ao intestino medio dos insetos. Observacoes na larva de Elaephareceridae. Mem. Institute Oswaldo Cruz, 54: 231- 254, 13 figs. 1956.

1957

Lacombe, D., ¹⁹⁵⁷ ↑ Estudos histologicos sobre os Triatomineos. Anatomia do ducto intestinal de Triatoma infestans. Mem. Institute Oswaldo Cruz 55: 69- 111, 51 figs., 1957.

1958

Lacombe, D., Contribuicao ao estudo dos Embiidae. Aparelho respiratorio de Embelynthia batesi. Studia Entomol., 1 (1- 2): 177- 195, 25 figs., 1958

Lacombe, D., idem. IV parte: Polimerfismo sexual na regio cefalica dos Embiidae. Mem. Institute Oswaldo Cruz, 56: 655- 683, 25 figs 1958.

1959

Lacombe, D., Estudos anatomicos e histologicos dos Triatomineos. Observacoes sobre os estigmas dos Triatomidae. Anais de Congresso Internacionall sobre "Doenca de Chagas". 1959.
