Dear Dr. Lacombe:

I was pleased to learn from your letter of April 17 that you still would like to see your barnacle collection cared for here, and I have arranged to have a container with packing materials sent to you; I hope it is large enough. Arrange to have it sent to me air freight collect, to be converted to a Government Bill of Lading.

I can understand the problems you have faced over the past few months and I admire your ability to get on with things.

With best wishes,

Sincerely,

Raymond B. Manning
